

MIRS

Multidisciplinary Information Research Symposium

Dr. Sharad Sharma

Keynote Speaker

About

MIRS is an annual symposium that showcases the work of scholars and practitioners researching information and its impact on people. One of the primary goals of MIRS is to encourage and empower participants who are new to scholarly communication. Therefore, graduate and undergraduate students at all levels and early professionals are highly encouraged to submit their work.

Date

February 21, 2025

Time TBD
