

Texas Center for Educational Technology (TCET) Symposium
 University of North Texas Discovery Park G150, May 16 – May 18, 2018
 Working Committee Members

First Name	Last Name	Position	Institution	Email / Website	Research Interests	picture
Lin	Lin	Organizer Professor	University of North Texas	http://courseweb.unt.edu/llin/ Lin.Lin@unt.edu	Interactions between mind, brain, and technology in complex learning environments	
J. Michael	Spector	Co-Organizer Professor	University of North Texas	https://sites.google.com/site/jmspector007/ Mike.Spector@unt.edu	Intelligent support for instructional design, system dynamics based learning environments, assessing learning in complex domains	
Debbie	Cockerham	PhD Candidate	University of North Texas	dcockerham@fwmsht.org	Smartphone addiction and digital responsibility; learning disabilities, ADHD, and ASD; effective communication; mind, brain, and education	
Fischer	Huang	PhD Student	University of North Texas	fischerhuang@gmail.com	Using technologies to improve students' and employees' performances in the hospitality and tourism field, e-learning, distance learning, and talent management in hospitality and tourism field	

Shan-shan	Ma	PhD Student	University of North Texas	shanshanma2015@gmail.com	Learning technologies; Intelligent Instructional System Design; Critical thinking, etc.	
Xue	Yang	PhD Student	University of North Texas	sketchmichelle@gmail.com	Sketchnoting; Media literacy; Media	
Chuxin	Fu	ECNU Master's Student (UNT Visiting Scholar)	East China Normal University	shin_1230@163.com	Learning analytics; Critical thinking; CSCL	
Qing	Li	Lecturer (UNT Visiting Scholar)	Chongqing University of Science and Technology	liqing@cqust.edu.cn	Applied linguistics; Translation theory and practice; Learning technologies for foreign language learning and teaching	
Andreja	Starčič	Professor (UNT Visiting Scholar)	University of Ljubljana	andreja.starci@gmail.com	Educational Technology; Teacher Education, Professional Development	

Yanrong Tong	Associate Professor (UNT Visiting Scholar)	University of Jinan	hztyr@163.com	Instructional design, online learning and technology integration in education	
Xue Wang	Lecturer (UNT Visiting Scholar)	Tianjin Normal University	wangxuetjnu@qq.com	Learning resources of online learning environments; The Language of Multimedia Design and Technology Enhanced Learning	
Xuefeng Wei	Associate Professor (UNT Visiting Scholar)	Ludong University	xuefengwei99@163.com	Critical thinking; Problem solving and cognitive simulation; Technology enhanced learning	
Xiaozhe Yang	ECNU PhD Candidate (UNT Visiting Scholar)	East China Normal University	worldetyan@gmail.com	Virtual reality; Digital technologies	
Xuesong Zhai	Associate Professor (UNT Visiting Scholar)	Anhui Jianzhu University	zhxs@bnu.edu.cn	Smart learning environments; Intelligent campus
